EXPERIENCE

INTERNATIONAL SHIP REGISTRY OF CAMBODIA | 2007-2008

SHIP REGISTRY DATABASE ADMINISTRATIVE

I provided customer support for international companies with shipping vessels registered with Cambodia, and secured tax fees from those same companies. I registered certifications and ensured database integrity within the Cambodian Ship Registry database. I assisted the deputy ship registrar with detailed policies and title registration, a variety of licenses as well as deletions from registry.

RENEWAL CHURCH OF WAXHAW, NC | 2018-2020

Volunteer work. I developed marketing materials using Adobe Creative Cloud. I implemented the use of Enterprise software (Planning Center and Proclaim) to increase communication and collaboration for leadership and to elevate all public-facing materials.

RM INC. | 2019-2020

Volunteer work. I worked with InfusionSoft CRM for this non-profit organization. I worked to maintain data integrity in their fundraising database.
